

OR & Sterile PROCESSING

OPTIONS FOR OR/SPD

LogiQuip® offers several options for Operating Rooms and Sterile Processing. As elective surgeries are rescheduled contact us at **(800) 665-3760** for more information on how we can help.

LOGICELL CARTS

Available in a variety of sizes, LogiCell Carts are ideal for new **procedural areas** and **storage** of important items that should be access controlled. Available with either keyed or keyless lock for easy access.

WATERFALL EDGE SHELVES

Our Waterfall Edge Shelf features a **smooth, rounded edge** along the width of the shelf. This design allows sensitive items, like sterile packaging, to **slide easily** off the edge without the worry of snagging or tearing.

IV POLE

Stainless Steel 6-leg IV Pole with four (4) hooks adjusts 52"–94" H with secure thumb knob. 22" base has 3" scuff resistant casters. Available in multiple colors.

WORK TABLES

Work Table tops are constructed from **medical grade Stainless Steel** making them durable and easy to clean. All welded construction creates seamless connection points that minimize cracks and crevices where germs can hide.

REPROCESSING SINKS

LogiQuip Reprocessing Sinks are manufactured from **304 Stainless Steel** and are available in **Stationary** (37" H) and **Height Adjustable** (35"–42" H) versions. These durable and ergonomic options can also be customized to meet your unique needs.

CASE CARTS

LogiQuip offers a complete line of high-quality 18-gauge 304 Stainless Steel Case Carts. Designs ranging from **Closed, Closed Wide Body, Open** and **Over-The-Road**.
